

CAP AND PIN

**CAP AND PIN 1973  
Cabarrus Memorial Hospital  
School of Nursing  
and X-Ray Technology  
Concord, North Carolina  
Volume XXV**

Everything is  
Beautiful . . .

In its own way . . .

Like a starry  
Summer night . . .

Or a snow-  
covered Winter's  
day . . .

There is none so blind . . .

As he that  
Will not  
see . . .

We must not close our minds . . .

We must let  
our thoughts . . .

Be Free

For  
Every  
Hour . . .

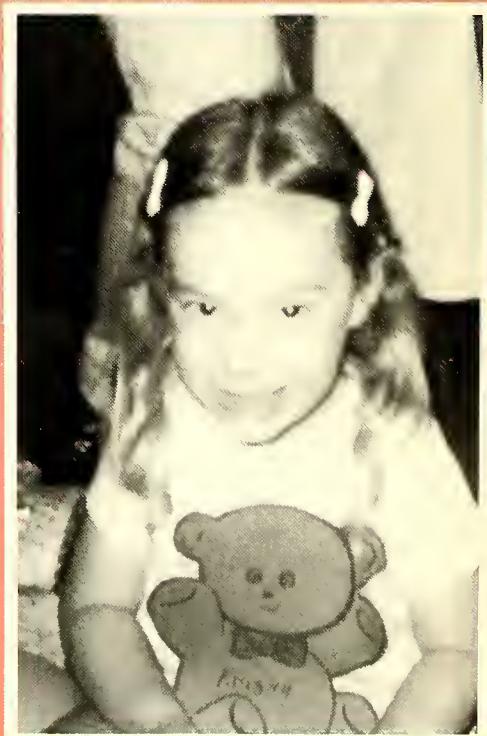

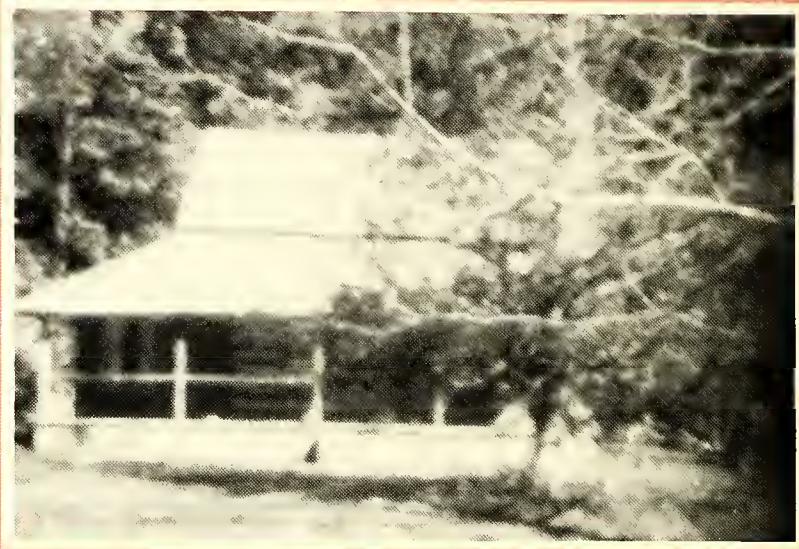

That passes by . . .

You know the world . . .

Gets a  
little bit  
older . . .

It's time  
to realize ...

That beauty lies...

IN THE EYES OF THE BEHOLDER.

## DEDICATION

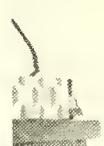

It all began about three years ago . . . both of us confronted with new faces and different surroundings. Some found it difficult to cope and when we lost half our class she cried with us.

She never closed her door and spent endless hours encouraging us. There were frogs, hearts, livers, lungs, pigs, bones, muscles, eyes and of course our cats. She worked diligently with those little freshmen drilling us over and over on diffusion, osmosis, and the scientific achievements of man.

As our Junior Class advisor she tolerated, stimulated and guided. We will always remember her help with our spaghetti supper and talent show, her motorcycle, her fingernails, her pleasant fragrance filling the lab, and all she has done to make us nurses. Her sincere interest in all students is shown by her confidence in us.

For all you have done we are truly grateful and so we the Senior Class of 1973 dedicate the 1973 Cap and Pin to Miss Drucilla Beal.

# HAPPENINGS

WITH GREATEST DEVOTION

**ALLAN DAVIS TUGGLE**

For thirty years of unselfish devotion, tireless effort, wise counsel and service beyond the call of duty; this tribute is offered by those whose gratitude is boundless.

Orientation week is busy, fun, new faces, and an introduction to a completely different life.

The doors are open that first day, awaiting new students, who are awaiting a new challenge

Where do I go now? Where is classroom no. 6? These are some typical questions on registration for the beginning freshmen student nurses.

Many experiences are ahead,  
which will result in a "nurse" . . .

Time . . . to work.

Time . . . to talk on the phone always!

Time . . . Out: from studying, working, going out, and talking on the phone.

Time . . . to go out, and Enjoy Others leisurely.

Time . . . to do necessary studying.

Time . . . to end another day.

## ACTIVITIES

### HOT DOG SELL BY CSU

### BOWLING

Who is that, that is always at the front of the line for "Hot Dogs"?

Social gatherings with food always make "school" seem a little brighter and enjoyable.

The annual staff can do more than take pictures, write; would you believe they can cook, too?

The Christian Student Union has got to have a reputation for great hot dogs.

Watch those calories!

Mrs. Mills received a few gifts and expressions of thank-you for all her work at Cabarrus and farewells.

The students hate to see her go.

Mrs. Stephens doesn't know what she's in for.

Miss Adams, director of nursing, chats with new instructor.

Surprise parties are always a lot of fun!

Announcement of annual dedication comes as a surprise to Mrs. Louise Clontz!

Mrs. Clontz goes forward to receive the first copy of the 1972 Cap and Pin.

The School of Nursing and x-ray students gathered in the school auditorium for the viewing of the 1972 Senior gifts to the school.

One of the big events of the year--receiving a copy of the Cap and Pin; more than a book, many treasured memories.

## CHRISTMAS PARADE

A never-to-be forgotten moment was experienced by a nervous, excited group of forty-nine students, when they were capped by their big sisters (juniors) on this important night. After receiving their caps, the new freshmen student nurses--bedecked in their spanking new uniforms and caps--were charged to make ourselves worthy of the privilege of wearing those caps by "striving to be the best that you can be."

Class of 1974 receiving their Junior Stripes—  
Students share in many feelings, among  
these the joys of accomplishment. Receiving  
the Junior Stripe means one step closer to  
your goal.

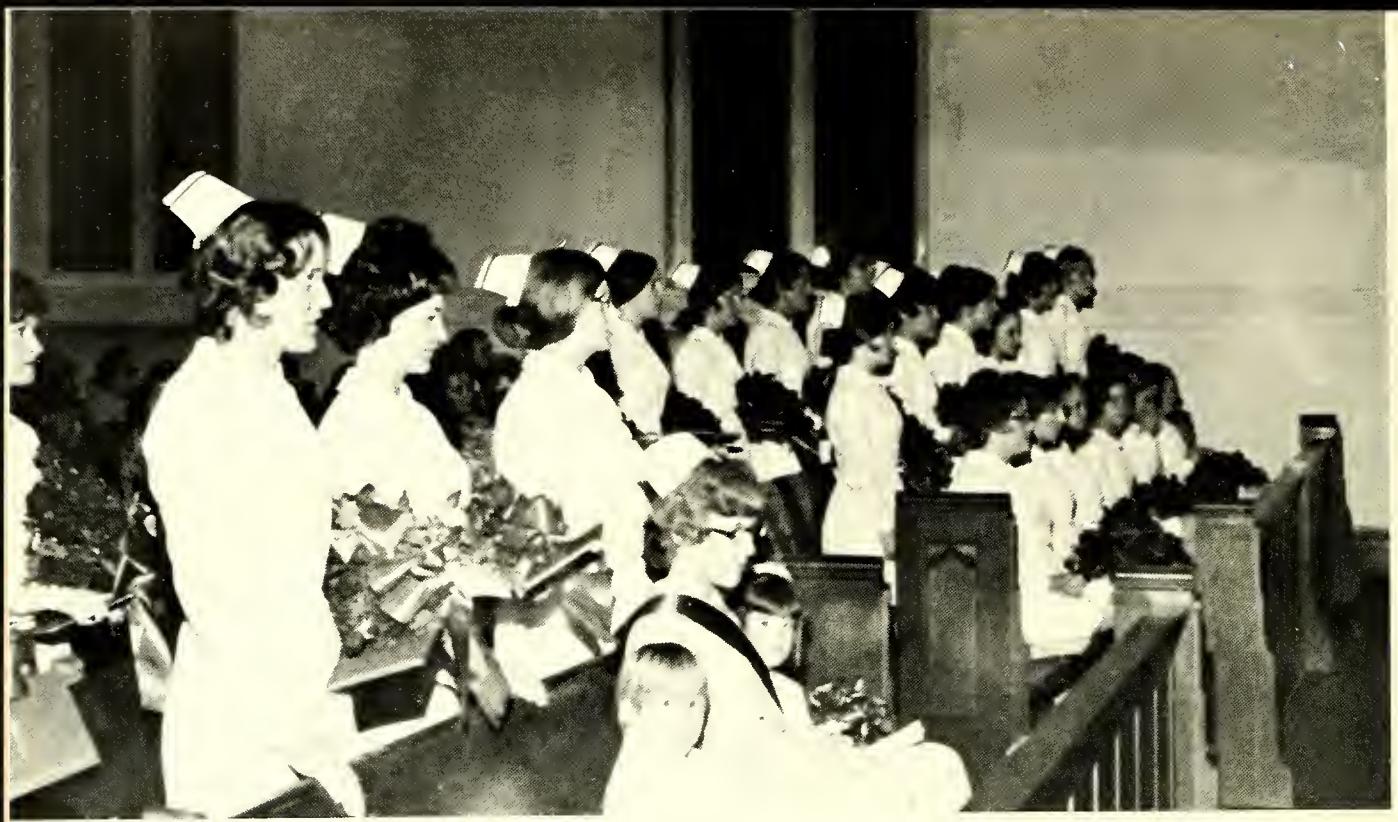

A junior student is pictured here  
handing over the nursing cap  
with the horizontal black stripe  
indicating a long-anticipated  
reality.

The Black Stripe stands  
for increased knowledge,  
more confidence, and  
more work, and responsi-  
bility.

The traditional ripping of the  
Senior Students uniform on  
their last clinical day can be  
embarrassing.

CLASS OF 1972

As graduation night approached we found within ourselves a certain sadness and emptiness--knowing we'd miss the many friends we'd made, and apprehension at no longer having the security of instructors to guide us . . . but there was another feeling--a more important one--surpassing all others as we reached the end of a 3 year goal and dream. This was a feeling of challenge that we as Cabarrus graduates now had to make our world a finer place for every person.

## IN MEMORY OF

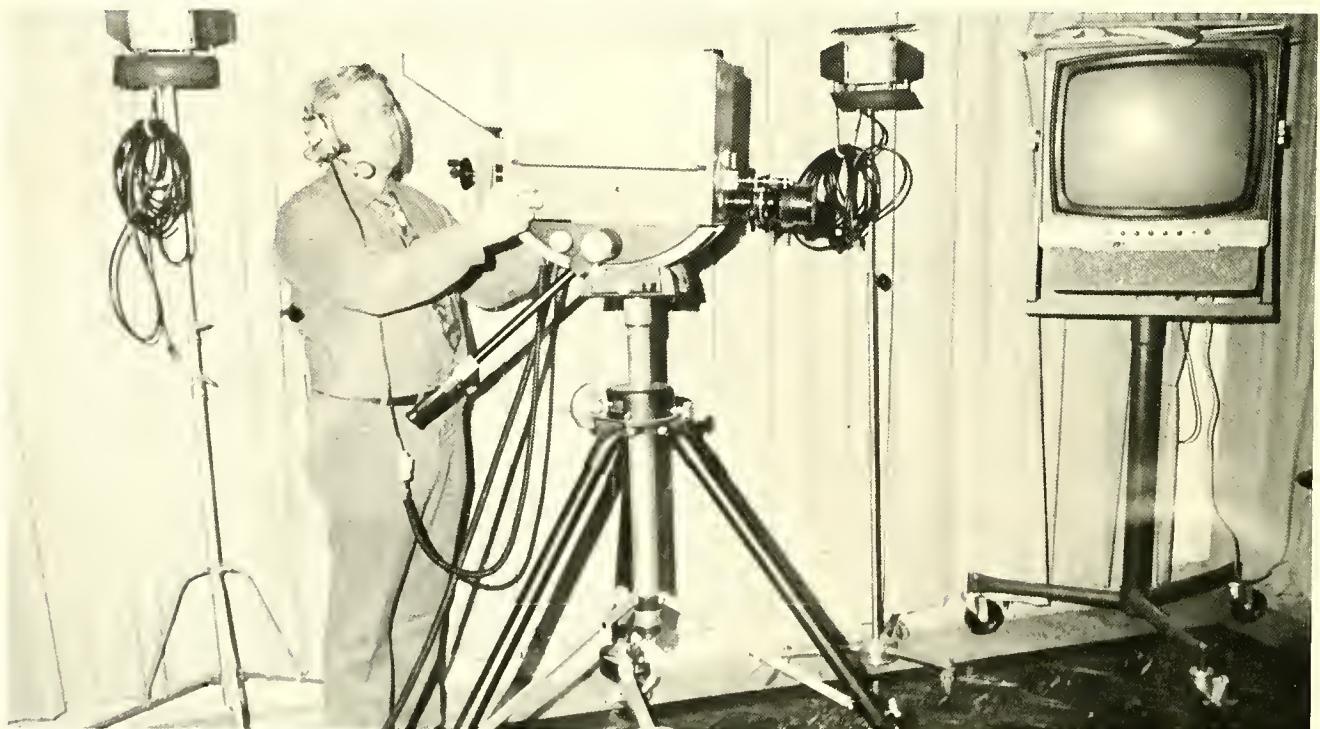

Mr. Don Selvy

In honor of a dear and precious person who put up with answering questions, making it seem more homelike, getting used to her new job, giving and receiving messages, dressing between phone calls on a snowy Monday morning and putting up with messy rooms. We the Class of 1973 give this annual in appreciation of one who is always there - Mrs. Zelma Lisk.

## APPRECIATION

To a person of infinite patience - who spent many hours adjusting the lights and making the atmosphere just right for a spring concert and freshman talent show, showing tapes and without hesitation reshowing tapes for the ones who could not make it the first time, splicing the tapes to cut out giggling mistakes - we the Class of 1973 wish to show our appreciation of Mr. Gene Mills.

## HOUSE MOTHERS

These are the four wonderful ladies that try to keep the students straight. What really means a lot is the warm smile each of them possess. They certainly deserve a lot of appreciation and thanks from all of us.

As one enters Concord, North Carolina, a sign reading, "Welcome to Concord" greets you just as the housemothers greet you when you get to the dorm.

The housemother's job is to try and check to see that our rooms are kept orderly. Did you say neat?

## KITCHEN COMMITTEE

The members of the Kitchen Committee perform an important function for the welfare of the students in our school. These girls without proper recognition keep clean towels in the kitchen and old food out of the refrigerator. These girls are: Ann Beeding, Pam Harrington, Shelia Satterfield, Leigh Sentelle, Gayla Spears, Sandra Thaxton, Connie Whitley, Valorie Young.

## HOUSEKEEPING

Finally, another year has gone by and with co-operation, guidance and devotion we are able to present a 1973 yearbook to the student body of Cabarrus Memorial Hospital School of Nursing and X-Ray Technology.

This yearbook contains many memories and is a constant reminder of some of the unforgettable experiences and the activities that we participated in. In future months or even years we will all be able to look back on the many smiling faces that were so much a part of our lives at CMH.

We want to thank all the people who have worked so diligently to make this yearbook possible with special acknowledgments going out to Mrs. Hood, Mrs. Stephens, Ann Menius, and Kay Love. Ray Stevens for permitting us to use the words of "Everything is Beautiful" and Loonis McGlohon for permitting us to use the words of "What Will the World Be Like Tomorrow".

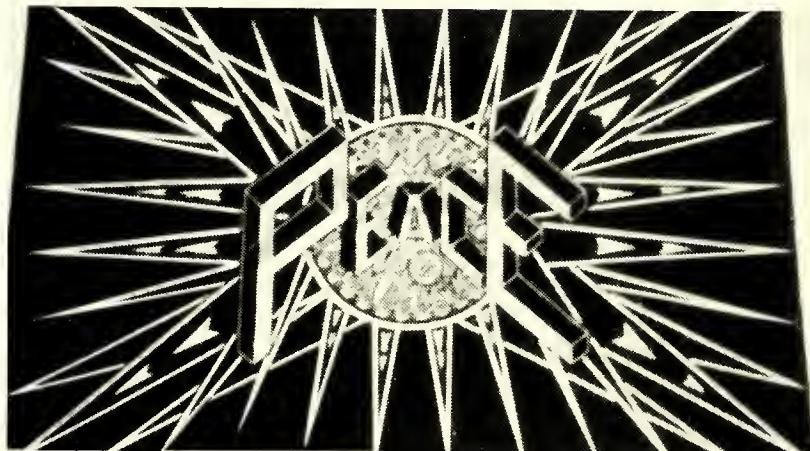

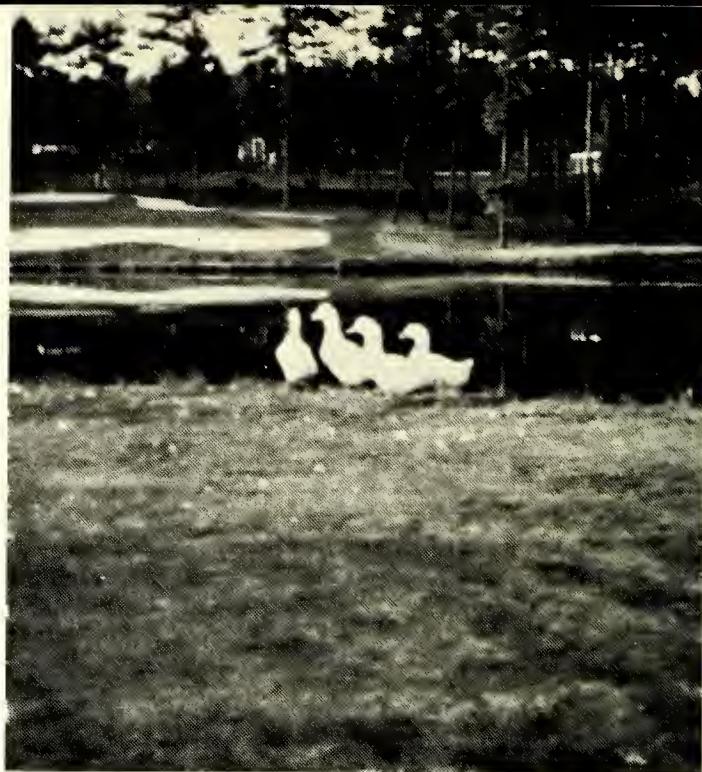

To each of you who reads this book we hope that you find enjoyment and a record of memories.

Doris Reed  
Sharlyn Mansfield

What will the world  
be like tomorrow?  
Will this land of ours be free?

And,  
Will every man  
a brother be?

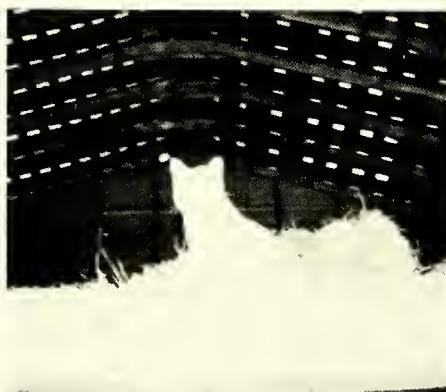

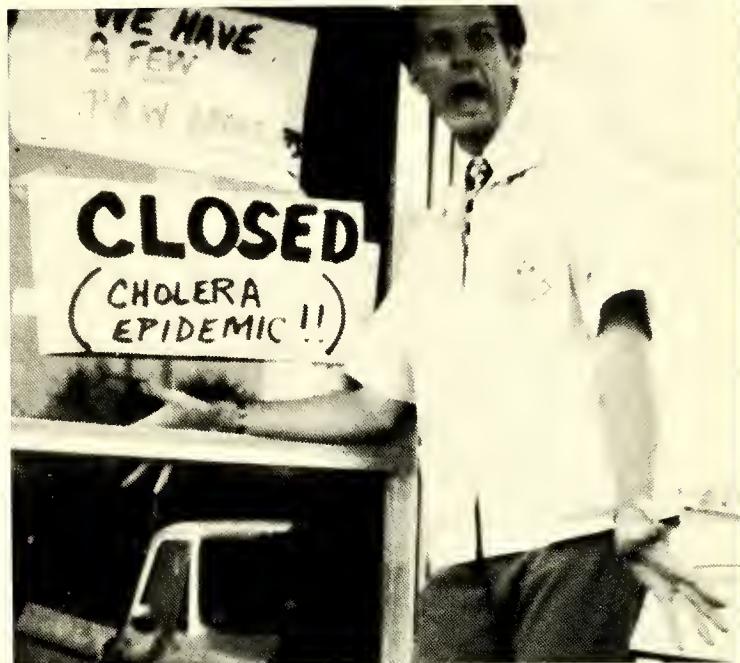

What will the world  
be like tomorrow?  
Will the trees  
grow green and tall?

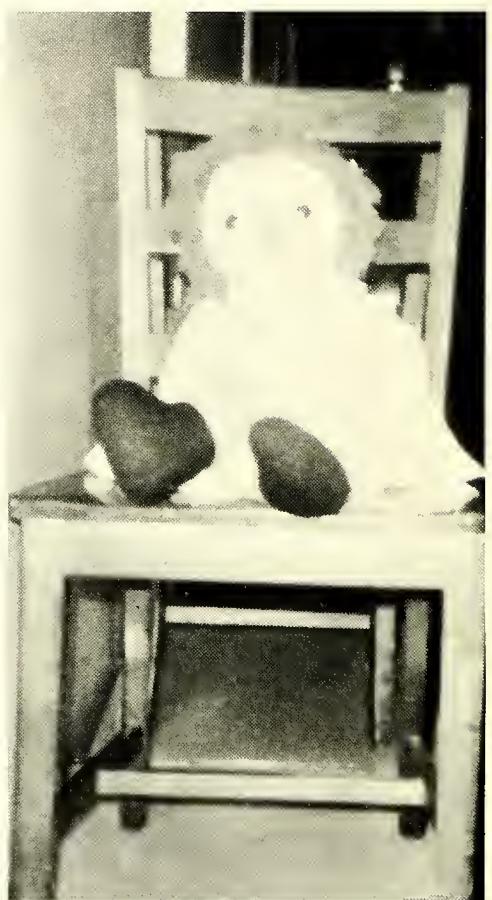

Will the greed  
of man  
destroy us all?

Will the stranger  
always find  
a welcome mat  
upon our floor . . .

Or,  
will he be afraid  
to open the door?

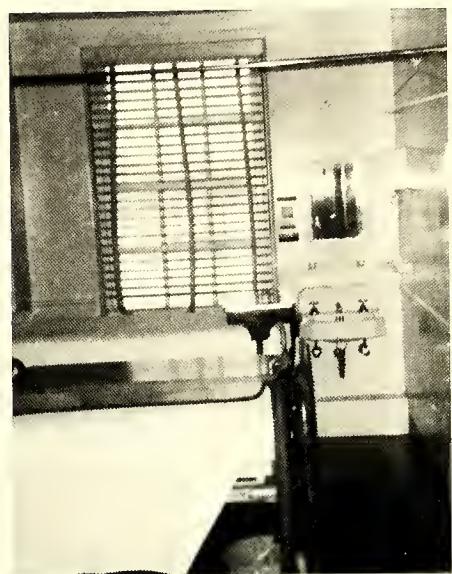

What will the  
world be like  
tomorrow?

Will the children  
laugh and play?

Will there be a place  
to kneel and pray?  
What will the world  
be like tomorrow?

Do whatever you can . . .  
to make it a better world for every man!
